Introduction

BMX-Club Flying Tigers welcomes all riders from Europe or overseas, if there are any, to their first Open races (UCI C1) in October 2022!

The races will be held according to the UCI rules of BMX racing.

About Weinfelden

Weinfelden is a city in the north-east of Switzerland with nearly 12.000 inhabitants. It is situated only 15km from Lake Constance and the German border (Konstanz). Here you can get information about Weinfelden: www.weinfelden.ch

The Organizer

BMX-Club Flying Tigers was founded in 1984. It currently has almost 100 members. BMX-Club Flying Tigers has organized the Swiss Championships three times in the last five years.

Weinfelden BMX Track

BMX Track Specifications

The BMX track in Weinfelden built by Elite Trax (Tom Ritz) in 2017 has a 5-meter start hill with Bensink-Gate and three asphalted turns as well as a Pro-section line on the second straight. According to UCI regulations the track has a length of 358m. Making the track more challenging it has been modified in 2022 by dig tracks (Damien Godet).

General Information

Public Access will be free of charge!

Team Area is accessible for everyone (riders, staff, spectators). No accreditation is needed to enter the team area. **National teams** will get preferred places. Please bring your own tent. We don't offer to rent team tents. Reservations (only National Teams) can be done by E-Mail to: danielbutti69@gmail.com.

Credit cards will not be accepted for rider entry fee, accommodation or catering.

Welcome centre is situated at the entrance of the race site. Team Manager meeting and Official meeting will be held at the Welcome centre.

Number plates and side plates: Every rider has to bring his own front and side plate (national number). Riders with **career numbers must use their career number**. No other rider in championship classes is entitled to use an assigned career number.

Mylaps transponders are mandatory. All riders must have an active transponder Mylaps Pro-Chip Flex. Transponders must be mounted on their bike (fork) before entering practice. Please make sure while practice, that the transponder is recognised by the time keeping system. Alternatively, transponders can be rented for 10 euros per rider per day and need to be returned after the race. You have to leave a deposit of 40 euros or your drivers licence. You will get the deposit back after returning the transponder.

Toilets and trash containers are available at several locations. Please use them and keep the area clean!

Team and camping area

The team area is situated next to the track. Please bring your own tents. Again, there are no tents which can be rent from the Organisation. **Only National teams** will get preferred spaces, whereby reservation by e-Mail to danielbutti69@gmail.com are required.

The camping area is on a tarmac and situated in walking distance to the track. Toilets, electricity and water will be provided. Showers are available in the Sports complex (signed).

Rules

- The provisions of the latest version of the UCI's BMX Rulebook applied with a few amendments (in this Technical Guide)
- The use of interlocking pedal-cleat systems is allowed for categories 13 years and higher
- For all categories scrambled seeding is used, according to UCI Rule Book 6.1.027quater
- Random system is used for Gate positions in the motos
- Likewise, the number of riders who will transfer from the motos into the Qualifiers or Final (whichever the case may be), will be full gate. For more explanation of the scrambled moto and transfer system please refer to UCI Rulebook article 6.1.033
- The top 4 riders from each heat of the Qualifiers shall transfer to the next round of the Qualifiers or the Final
- All challenge categories will have A, B, C etc. finals. Championship categories will only have A finals.
- If there are less than 8 riders in a category, this category will not run a final but 4 motos all to count. Ranking will be on moto points after all 4 motos.
- If there are less than 5 riders in a category, the category will be combined. Riders in combined classes results will be split and awarded accordingly.
- Championship Elite riders with a career number shall use their career numbers assigned by the UCI.

Accreditation

Each Country must appoint a Team Manager to confirm the participation of all riders (Championship classes). The Team Manager must be present at the Team Manager meetings.
